

PRIVACY POLICY

Please read this Privacy Policy carefully. If you do not agree to the terms of the Privacy Policy, please do not use moonlens.info

1. General provisions

- 1.1. This Privacy Policy is an official public document of Smart Optiks Limited Liability Company (hereinafter referred to as Smart Optiks). The Privacy Policy determines the procedure for processing and protecting information about individuals (hereinafter referred to as "Users") visiting the Site <https://moonlens.info/> (hereinafter referred to as the Site).
- 1.2. This Privacy Policy has been drawn up in accordance with the current legislation of the Russian Federation and the fundamental principles and norms of international law in the field of regulation of the collection and processing of personal data.

2. Composition of information processed by Smart Optics

- 2.1. Smart Optics does not process personal data of Users, for except for the cases provided for in clause 2.2. of this Privacy Policy.
- 2.2. Smart Optics may process personal data provided by Users to fulfill the contract concluded with the User (for example, when implementing special projects).
- 2.3. When the User completes anonymous surveys or tests on the Site <https://moonlens.info/>, Smart Optics processes non-personalized information provided by the User as part of answering questions.
- 2.4. Smart Optics also processes other information about Users, which includes information automatically obtained when accessing the Site using bookmarks (cookies).
- 2.5. The information specified in paragraphs 2.3 and 2.4 of this Privacy Policy is processed using the technical means of the Site and is used solely for the purposes of monitoring traffic, namely, to track which sections of the Site are visited more often and which less often. Using this information, Smart Optics determines which topics and publications are most interesting to readers and does its best to improve the quality of content and improve the interface of the Site.

3. Purposes and methods of personal data processing

- 3.1. Smart Optiks may process the User's personal data solely for the purpose of fulfilling the contract between Smart Optiks and the User. By virtue of Article 6 of the Federal Law of July 27, 2006, No. 152-FZ "On Personal Data", a separate consent of the User to the processing of his personal data is not required. By virtue of p.p. 2, paragraph 2, article 22 of the said law, Smart Optiks has the right to process personal data without notifying the authorized body for the protection of the rights of subjects of personal data.
- 3.2. Smart Optics processes Users' personal data as follows: collection, storage, systematization, use, clarification, transfer, destruction.
- 3.3. Personal data of Users is stored exclusively on electronic media, on the territory of the Russian Federation. Personal data is processed using automated systems, except when non-automated processing of personal data is necessary in connection with the fulfillment of legal requirements.
- 3.4. Personal data of Users is not transferred to any third parties, except when:
 - with the consent of the User, personal data may be transferred to third parties-contractors of Smart Optiks, subject to the assumption by such counterparties of obligations to ensure the confidentiality of the information received.

- personal data may be provided at the request of authorized state bodies in the manner prescribed by law.

3.5. The processing of personal data of Users is terminated in the following cases:

- at the request of the User in the cases provided for in clause 5.2. this Privacy Policy.
- after Smart Optiks fulfills its obligations to the User.

4. Measures to ensure the security of personal data

To ensure the protection of the User's personal data from unauthorized or accidental access to them, destruction, modification, blocking, copying, distribution, as well as from other illegal actions, Sky Optiks takes technical, organizational, and legal measures, in particular:

- appointment of employees responsible for organizing the processing and ensuring the security of personal data.
- checking the availability in contracts and including, if necessary, clauses on ensuring the confidentiality of personal data in contracts.
- publication of local acts on the processing of personal data, familiarization of employees with them.
- ensuring the physical security of storage places and means of processing personal data.
- use of security tools (anti-virus tools, firewalls, etc.).
- accounting and storage of information carriers, excluding their theft, substitution, unauthorized copying, and destruction.
- implementation of internal control over compliance with the procedure for processing personal data, verification of the effectiveness of the measures taken.

5. User Permissions

5.1. By providing his personal data, the User agrees to the terms of this Policy.

5.2. The User has the right to send requests to Smart Optiks in writing or electronically regarding the use of his personal data. Such a request must contain:

- number of the main identity document of the User, information about the date of issue of such document and the authority that issued it.
- information confirming the participation of the User in relations with Smart Optiks (for example, contract number, date of conclusion of the contract).
- signature of the User or his representative.

Smart Optiks undertakes to consider and send a response to the User's request within 30 days from the date of receipt of the request.

6. Other provisions

6.1. The Site may contain links to the websites of other companies and other services of third parties that have their own policies regarding the processing of personal data. Smart Optiks is not responsible for the privacy practices or the content of any such sites.

6.2. The current version of the Privacy Policy is available to any Internet user. Smart Optiks has the right to make changes to this Privacy Policy no later than 5 days before the entry into force of the relevant changes.
